

SAFE PLASTOMER PVT. LTD.

SHAPING THE FUTURE OF
INTELLIGENT
Packaging

ABOUT US

Safe Plastomer Pvt. Ltd. stands as a renewed identity of excellence, built on the strong foundation of **Safe Packaging**, which began its journey back in **2008**. After 17 years of consistent growth, technological advancement, and expanding client trust, the company stepped into a new era on **1st October 2025**, rebranding itself as **Safe Plastomer Pvt. Ltd.** relocating to a modern production facility.

This transformation reflects our commitment to innovation, quality, and the evolving needs of the Flexible Film for Sustainable Packaging Industry.
